Attention Parents! During past high school camp some youth have gotten creative and cut their hair or dyed it with creative colors. This event seems to be something that spontaneously takes place and can be a very empowering experience for youth and their peers. Although hair cutting and dying are not camp sponsored activities, we want you to know that it can organically occur during free time. Should you have great anxiety over your youth changing their hair while at camp, we suggest you sit and talk with them before they arrive to camp so that they understand your thoughts and feelings on the matter. _____ Initial Here
